Market activity varies by session and volatility

Referrals

The Word of Mouth

The most credible way to grow through
genuine user trust

If You Trust a Product, You Naturally Share It

So why not be rewarded for helping
others discover it?

Referral growth works best
through genuine user
experience.

Trust-based sharing can
support long-term business
growth.

Rewards apply only from
eligible trading-related
revenue.

Here's the Formula

Forex EA + Referral Participation
= Eligible Revenue Sharing

01

Structured way to participate in eligible referral rewards.

02

Rewards apply only when eligible accounts generate trading-related revenue.

03

Referral participation is subject to qualification rules.

04

Network growth potential through eligible active users.

Join. Refer. Qualify.

Introducing a Referral-Based EA Ecosystem Powered by Expert Advisor Technology

LUNAR WOLF

An EA Designed for Long-Term Growth

Lunar Wolf

Represents the moon,
symbolizing strategy, vision,
and power.

+

Known for moving in packs,
symbolizing teamwork,
discipline, and strength.

=

A strategy-focused identity built
around discipline, teamwork,
and long-term growth.

Power of Pack

Strength in unity, growth through strategy, and
rewards through eligible participation

Stronger Network = Eligible Reward Growth

Join a system where active users, EA participation, and eligible referral activity support long-term network growth.

Lunar Wolf: Built for Structured EURUSD Automation

01

Adaptive trade logic designed around predefined market conditions.

02

Backtested from 2015 with live-market monitoring.

03

Continuously evaluates EURUSD setups based on system rules.

04

Executes automatically according to configured risk parameters.

05

No upfront platform subscription fee; performance fee applies only on eligible profitable trades.

Benefits of EA Lunar Wolf

Reduces Manual Monitoring

Reduces the need for constant manual chart monitoring, while trading risk still remains.

Instant Execution

Analyzes predefined conditions and executes according to EA rules.

Tested Strategy Logic

Backtested under historical market conditions and monitored through live-market tracking.

Increases Efficiency

Handles strategy calculations and order execution automatically based on predefined parameters.

Boosts Consistency

Supports consistent rule-based execution without emotional decision-making.

Build Your Network, Earn Eligible Rewards

Expand your network and participate in referral-based rewards linked to eligible trading-related revenue. Rewards depend on active EA usage, achieved qualification, Lunar Wolf service terms, and supported broker setup where EA and IB tracking are available

Lunar Wolf May Allow Eligible Users to Earn Referral-Based Rewards in 2 Ways

1.

Profit Sharing

2.

IB Income

1 Profit Sharing

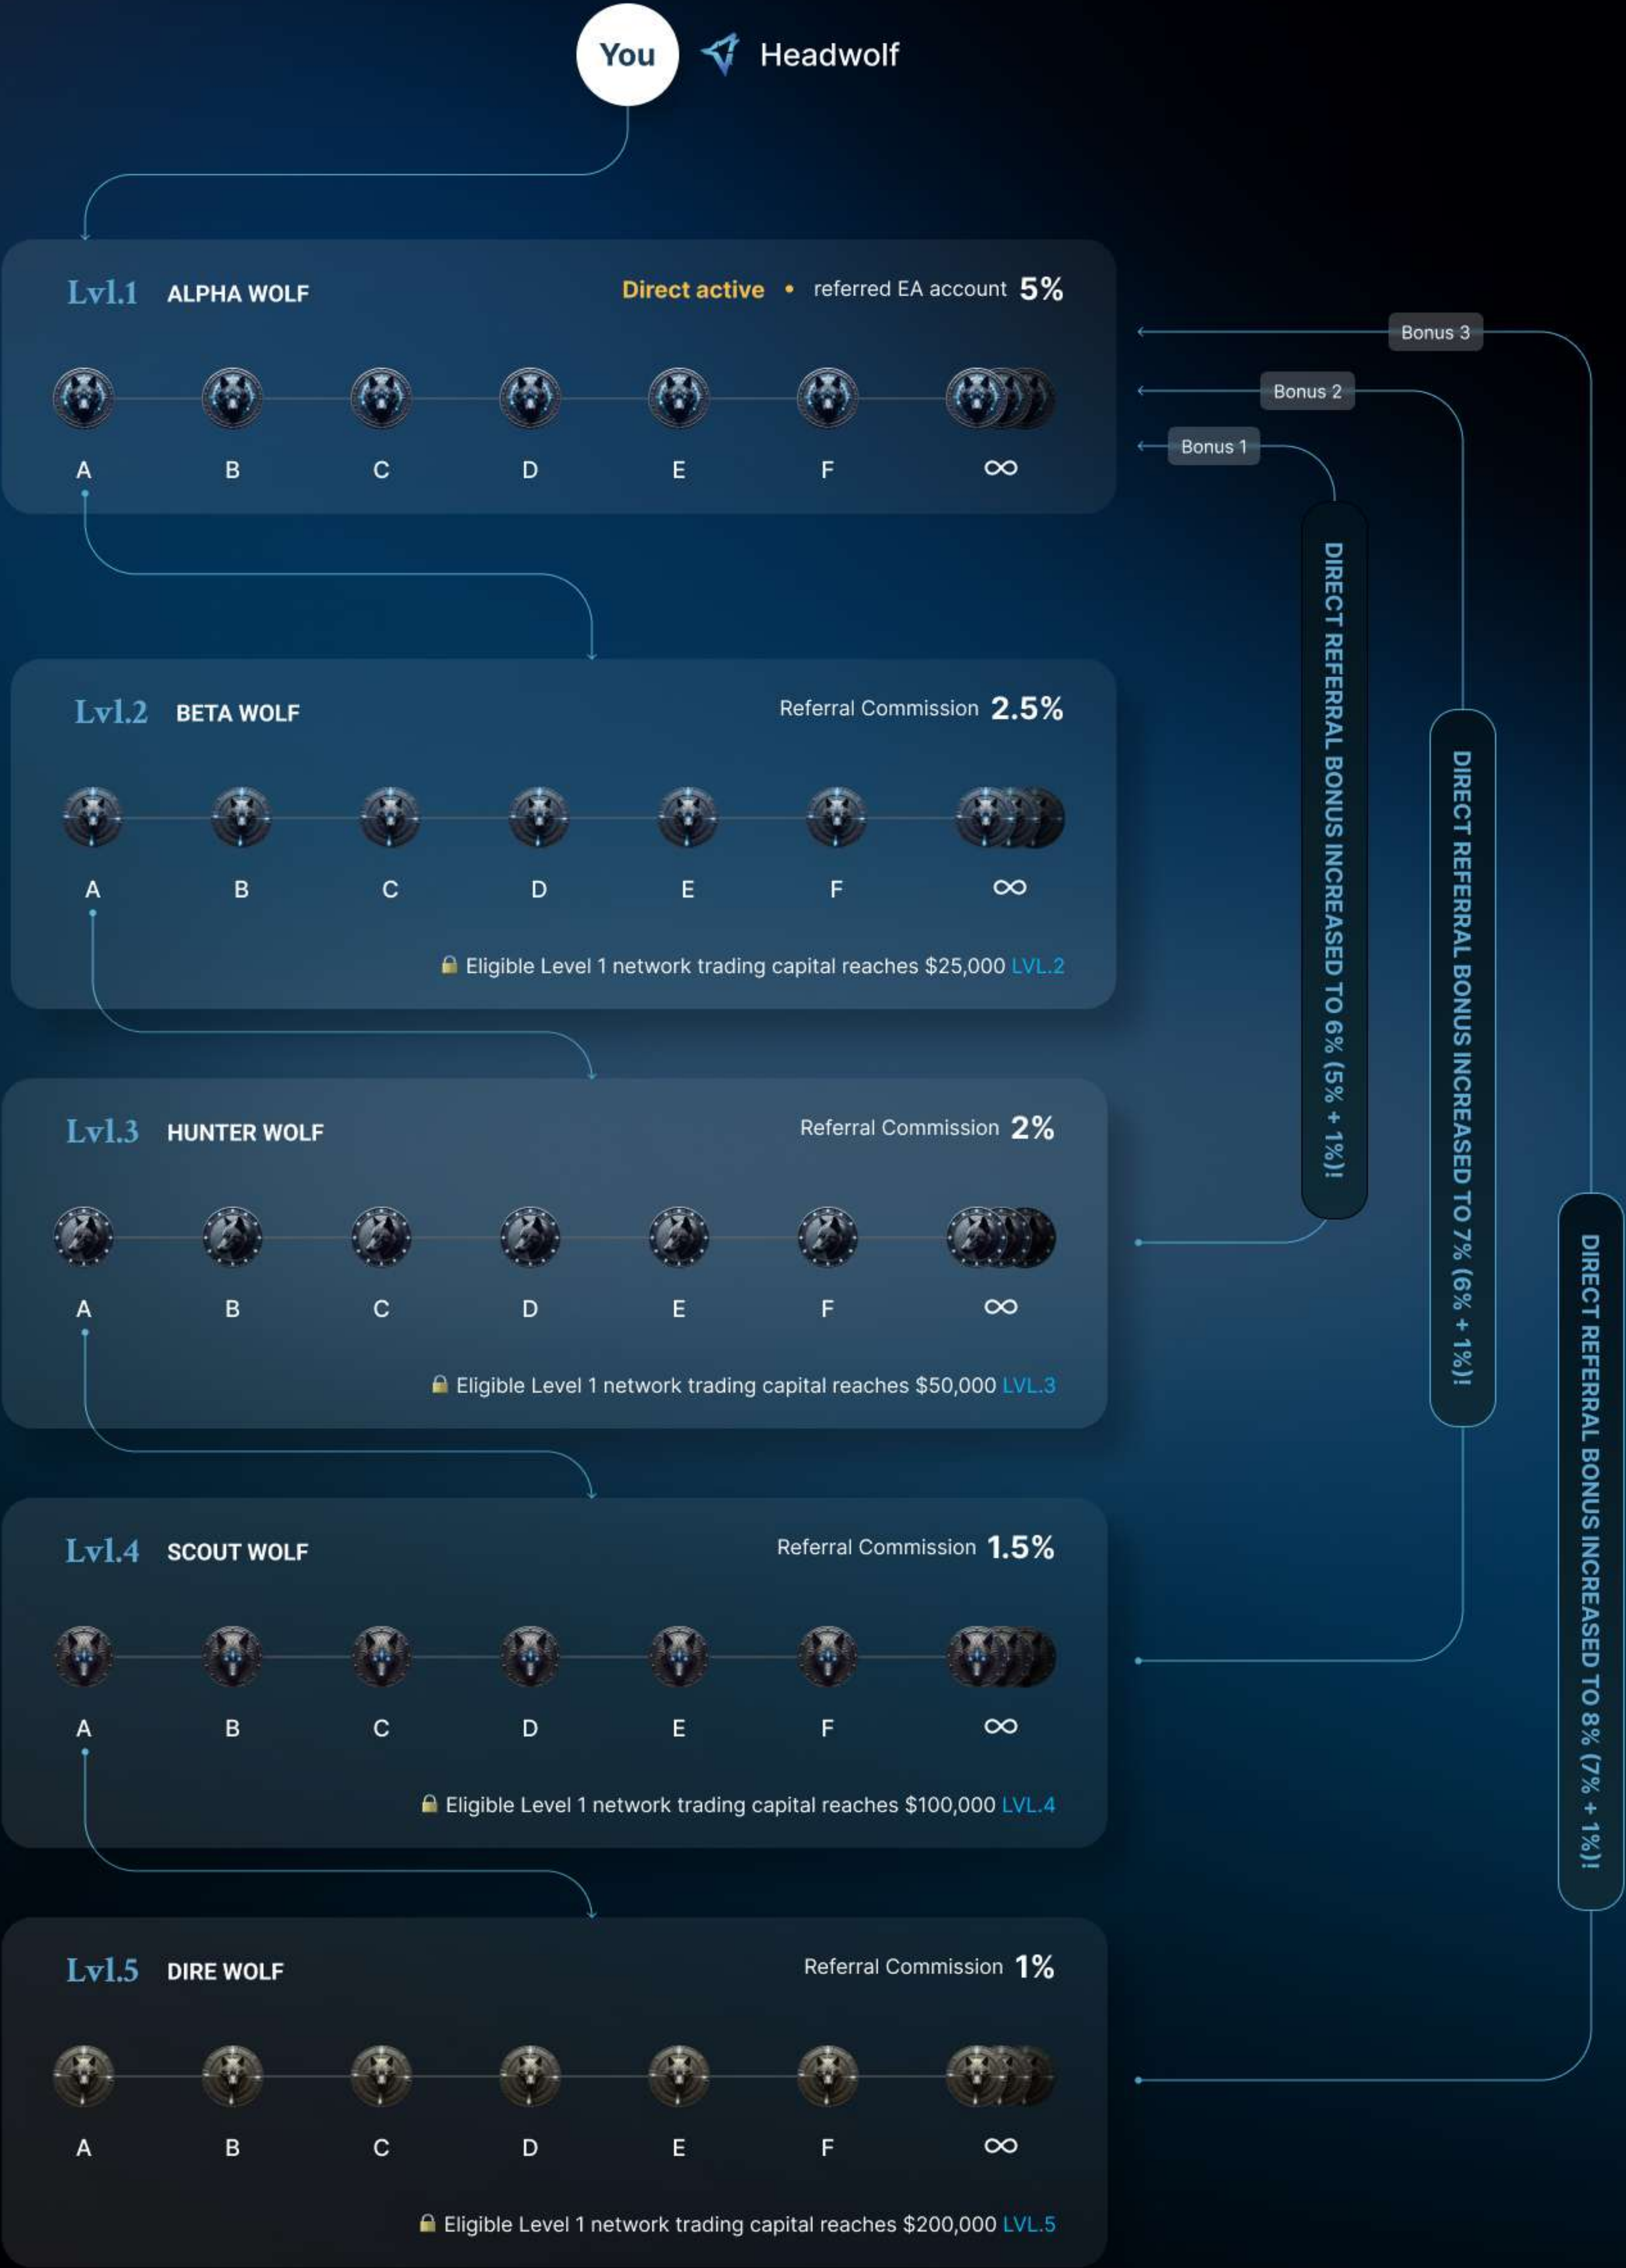

The Profit Sharing model allows eligible users to earn referral rewards calculated as a percentage of eligible profit generated by profitable Lunar Wolf EA / copy-trading activity on active referred EA accounts. Rewards are paid from Lunar Wolf's collected Profit Share Fee.

This structure may extend up to 5 referral levels, subject to qualification rules, active account status, and applicable service terms.

Rewards are not paid from client deposits and are not paid for registration or recruitment alone.

Profit Sharing Breakdown Chart

Level 1

Refer an eligible active EA user and earn 5% of eligible profit generated by profitable Lunar Wolf EA / copy-trading activity on that referred account.

Level 2

When your Level 1 users refer additional eligible users, they form your Level 2 network.

After your Level 1 network reaches \$25,000 or more in combined eligible trading capital, you may qualify to earn 2.5% of eligible profit generated by Level 2 EA users

The same structure may extend up to Level 5, subject to qualification rules

Level 3**Level 4****Level 5**

The same structure may extend up to Level 5, subject to qualification rules.

★ Important Numbers:

Level 1: 5% - Direct active referred EA account

Level 2: 2.5% - Level 1 network reaches \$25,000

Level 3: 2% - Level 1 network reaches \$50,000

Level 4: 1.5% - Level 1 network reaches \$100,000

Level 5: 1% - Level 1 network reaches \$200,000

2

IB Income

IB rewards are not paid for registration or recruitment alone. IB income is first received by Lunar Wolf through supported broker relationships, and Lunar Wolf may share part of this income with eligible users according to achieved rank, level, active account status, and Lunar Wolf service terms.

Terms & Conditions

- Minimum Trading Account Size: A minimum trading account size of \$1,000 may be required to activate EA trading. For risk-setting alignment, account size should be maintained in supported multiples of \$1,000, such as \$1,000, \$2,000, \$3,000, etc.
- Profit Share Fee: 25% may apply on eligible profit generated by closed profitable trades executed through Lunar Wolf EA / copy-trading activity for account sizes up to \$10,000, and 20% may apply for account sizes above \$10,000, calculated monthly according to Lunar Wolf service terms.
- Lunar Wolf fee is not calculated on deposits, withdrawals, account balance, equity, unused capital, losing trades, swaps, broker commissions, or other broker-side charges.
- Profit Share Settlement: Within 24 hours after the applicable broker cycle closes
- IB Income Settlement: As per broker cycle, after eligible IB income is received and confirmed by Lunar Wolf

Note: Lunar Wolf does not hold, deposit, withdraw, custody, or manage client funds. Users remain in full control of their broker accounts, deposits, withdrawals, and trading capital.

Disclaimer

- Foreign exchange trading involves substantial risk and may not be suitable for all users. Before participating, carefully evaluate your financial objectives, experience level, financial situation, and risk tolerance. Please understand that no trading system can guarantee profits, drawdowns and losing periods are possible, market volatility may become extreme, and past performance does not guarantee future results. Historical testing, simulations, and public performance records may differ from live market conditions, and proper capital management remains essential at all times.
- LUNAR WOLF EA is designed as a structured and adaptive software-based algorithmic trading framework and should not be considered a guaranteed income product, investment scheme, or risk-free trading solution. Historical analysis, public performance records, transparency reports, and any performance-related information are provided for informational purposes only and should not be interpreted as expectations or indicators of future outcomes.
- Actual trading results may vary depending on real-world market and broker conditions. Performance can be influenced by broker execution quality, spread fluctuations, slippage, liquidity conditions, server latency, market volatility, technical interruptions, and changing market environments. Although automated execution follows predefined system logic and risk controls, automation cannot eliminate market uncertainty or prevent losses.
- Lunar Wolf provides algorithmic trading software tools and technical support services. Information presented on this website is intended for informational and educational purposes only and should not be considered financial, investment, legal, tax, or brokerage advice.
- Users trade exclusively through their own broker accounts and retain full ownership and control of their capital at all times. Lunar Wolf does not hold, manage, deposit, withdraw, custody, or control client funds and is not responsible for broker operations, execution conditions, account restrictions, or broker-related service interruptions that may affect trading outcomes. Users are solely responsible for selecting, evaluating, and managing their chosen brokerage providers.
- By using this platform, users acknowledge and accept the risks associated with trading activity and automated execution systems. Users remain responsible for their own trading decisions, broker selection, account configuration, risk settings, and capital management. If you do not agree with these terms, please do not use the website or services.
- PAST PERFORMANCE DOES NOT GUARANTEE FUTURE RESULTS. TRADE RESPONSIBLY AND ONLY USE CAPITAL YOU CAN AFFORD TO RISK.
- Users are solely responsible for confirming whether forex trading, automated trading, broker selection, deposits, withdrawals, referral rewards, and IB-sharing participation are permitted under the laws and regulations of their country of residence.

Thank You.
